

RETRACTION

The article “Diffusion model applied to postfeeding larval dispersal in blowflies (Diptera: Calliphoridae)”, published in *Mem Inst Oswaldo Cruz* 92: 281-286, 1997, [dx.doi.org/10.1590](https://doi.org/10.1590), authored by Bassanezi RC, Leite MBF, Godoy WAC, Von Zuben CJ, Von Zuben FJ and dos Reis SF, has been retracted. We have been informed about the use of graphical figure presentation published in *J Theor Biol* 185: 523-531, 1997 and, following a careful analysis of the content in both papers, we concluded that the figure presented in *Mem Inst Oswaldo Cruz* 92: 281-286, 1997 constitutes plagiarism. Consequently, we decided to retract this paper.
